- Treasurer:

Jeff Neal, KA9HIJ

KA9HIJ@ARRL.NET

- Station Trustee:

Sonny McCoy, WA9DOL

Membership Information:

Membership in the Muncie Area Amateur Radio Club (MAARC) is open to all Amateurs. Applications should be submitted to the club secretary. The purpose of MAARC is to bring together, for their mutual benefit, persons interested in the various areas of the Amateur Radio Service. Any interested person is cordially invited to attend one or more of our regularly scheduled meetings. We meet on the third Sunday of the month at the Marin-Hunt school library in Muncie at 2 PM. This month's meeting will be March 19, 2006.

Please send general club correspondence to:

MAARC President

PO Box 1441

Muncie, IN 47308

APRIL MEETING CHANGED

The club meeting for April has been changed to Sunday, April 9, 2006 at 2:00 PM at the Maring– Hunt Library. The reason the meeting has been changed is due to Easter falling on the regular Sunday meeting day and the library will be closed for the Easter holiday. Hope to see everyone there.

President**

FROM THE LITTLE BROWN SHACK OUT BACK

We've made some progress over the past month. First, my thanks to KC6ETE, N9RI, and KC9CQZ for their help on the toy repair project.

Secondly, work is proceeding on preparations for the sale of the equipment belonging to WA1MKE. Please note the list in this newsletter. This list is that equipment which was used in Dave's on-the-air station, and is therefore presumed to be in working order. For prices and more information please contact myself or Jeff, KA9HIJ.

Finally, be ready to get

rolling on field day. Only two and a half months to go, so we'd better get started.

Remember, the club meeting has been moved to Sunday, April 9, at 2:00 PM. because of Easter.

73, and see you all at the meeting.

73's
Gary Lee, KB9ZUV

Hello to all my fellow club members. Jeff Neal, KA9HIJ, wanted me to remind everyone that if you have not paid your 2006 club dues as of yet, you must do so by April's club meeting or you will no longer be considered an active member of the club. This will cause you to miss newsletters until your 2006 dues are paid in full. The club dues are only \$15 per year and go for all the things we enjoy as a club. Some examples are newsletter mailings, picnic and field day supplies, equipment for club use, and to pay for the

phone line for the repeater autopatch. I want to thank those that have already paid their dues, it is your support that allows us not to raise the dues. I am still looking for contributions for the newsletter. The deadline for items of interest for the May newsletter will be Wednesday, May 10, 2006. I will post a submission deadline every month for the next month's newsletter. You can submit items of interest to me at N9GQA@ARRL.NET or by mail at the club's P. O. Box. 73's Josh Beeson, N9GQA

For Sale/ Wanted List
